

Parkmore Primary School

Parent Payment Policy

1. Purpose:

1.1. School Councils are able to request payments or contributions for education items and services from parents and guardians for students in Victorian government schools in the three categories:

- Essential Education Items
- Optional Extras
- Voluntary Financial Contributions.

All administrative and financial processes are compliant with Department of Education and Training (DET) requirements, including CASES 21 financial reporting.

2. Guidelines:

For the purpose of this policy the term *parents* is also inclusive of guardians, carers or family members who are making payments for a student.

3. Parent Payment Categories

3.1. Essential Education Items

Are those items or services that are essential to support the course of instruction in the standard curriculum program that parents are responsible for and may choose to either provide or pay the school to provide. These items can include:

- materials that the student takes possession of, including text books and student stationery;
- materials for learning and teaching where the student consumes or takes possession of the finished articles (e.g. home economics, ceramics, photography, catering);
- school uniform;
- transport and entrance for camps and excursions which all students are expected to attend.

3.2. Optional Education Items

These can also be referred to as non-essential materials and services. These items are those that are provided in addition to the standard curriculum program, and which are offered to all students. These optional extras are provided on a user-pays basis and if parents choose to access them for students, they will be required to pay for each item. These items can include:

- extra-curricular programs or activities e.g. instrumental music, dance classes
- school-based performances, productions and events
- excursions and incursions
- additional school items such as student/ class photographs.

3.3. Voluntary Financial Contributions

Are those items and services under which parents are invited to make a donation to the School, for example for grounds maintenance or building trust.

4. Requests for Payment

4.1. Payments may be requested but not required prior to the commencement of the academic year in which the materials and services are to be used.

4.2. Payment requests or letters to parents will be itemised and the category each item falls under will be clearly identified as an essential education item, optional education item or voluntary financial contribution.

4.3. Upon making payment, receipts will be issued to parents in a timely manner.

4.4. Reminders for unpaid essential education items or optional items will be generated and distributed on a regular basis to parents, but not more than once a month.

4.5. Only the initial invitation for voluntary financial contributions and one reminder notice will be issued to parents and guardians.

All records of payments or contributions and any outstanding payments by parents and guardians are kept confidential.

5. Payment Support Options

The school appreciates that families may sometimes experience financial difficulties in meeting requests for payments and contributions. A range of support options are available to assist parents, including:

- **Welfare and support agencies** that have established partnership arrangements with schools to provide further assistance to students and their families.

6. Implementation:

6.1. Student Requisites

Parkmore Primary School has spent considerable time selecting the most appropriate requisites to meet the needs of our students. Student requisites contain high quality materials at a competitive price due to our ability to bulk order.

6.2. Uniform shop

In order to support parents in meeting the costs of their children's education the School Council authorises the operation of a second-hand school uniform shop.

6.3. Payment arrangements

Parents will be provided with early notice of payment requests for essential education items, optional extras and voluntary financial contributions (a minimum of four weeks' notice prior to the end of the previous school year).

6.4. Payment Options

Payments are kept to a minimum with payment requests and letters fair and reasonable. To further assist parents with payments, two payment options are available:

Option A Full amount payment

Option B Alternative payment options are available through the school with parents encouraged to make an appointment with the Principal to discuss circumstances and available options.
